

Rally Chants and Songs

The people united
Will never be defeated
The people united
Will never be defeated
The people united
Will never be defeated

Reject the Cover-Up!
Reject the Cover-Up!

Sham Trial
Sham President
Sham Trial
Sham President

who will protect democracy / we will
who will protect our elections / we will

One, two, three, four
Senators broke the oath they swore
Five, six, seven, eight
We, the people, make democracy great

Hey hey ho ho
Donald Trump has got to go
Hey hey ho ho
The GOP has got to go

We will remember
Come November
We will remember
Come November

When democracy is under attack,
What do we do?
Stand up fight back!
When our elections are under attack,
What do we do?
Stand up fight back!
When our rights are under attack,

What do we do?
Stand up fight back! (2x)

Trump is not above the law
Justice is equal for us all

Repeat back chant:
Everywhere we go
People want to know
Who we are
So we tell them
We are the people
The mighty mighty people
Everywhere we go
People want to know
what we want
so we tell them
We Reject the cover up
We will remember in November
We will VOTE
We are the mighty mighty people

Song
(To the tune of American Pie:)
Bye bye to American pride,
Seems the Senate could prevent it, but the truth they denied.
Them good old boys sold their honor and lied,
(Singing) this is when Democracy died.
This is when Democracy died.
